Rapid Deploy Emergency & Medical Testing Shelters

During such times of crisis, hospitals are reaching capacity and medical professionals work tirelessly to keep the spread of COVID-19 to a minimum with overwhelmed waiting rooms. These emergency and medical shelters and canopies provide a solution in the form of instant additional workspace. Perfect for open walk areas or parking lots, these emergency shelters create triage units, drive-up testing stations, curbside prescription pick-ups, overflow patient check-ins, and even breakrooms for hardworking doctors, nurses, and additional medical staff.
